Dear Sir,

**Sub: Media Reports on Chhatrasal Coal Block allocated to Sasan Ultra Mega Power Project ("Sasan UMPP")**

We wish to inform you that the 3960 MW Sasan UMPP being developed by the Company is progressing well and is expected to be commissioned in January 2013, much before its bid schedule.

Moher and Moher-Amlori Extension Coal mines allotted to Sasan UMPP have received all Environment and Forest Clearances and these mines are being developed to commence production this calendar year as required by the Sasan UMPP ahead of its commissioning.

We understand that the issue of Forest Clearance for Chhatrasal Coal Blocks among other mines is being looked into by a Group of Ministers and we are hopeful for a positive outcome on the matter

We request you to inform your members accordingly.

Yours faithfully  
For **Reliance Power Limited**
