Mumbai, January 31, 2012: Repro India Limited, the end-to-end print solution provider for domestic and international customers, reported **56% rise in Net Profit at Rs 8.27 crore** for the quarter ended December 31, 2011 as compared to Net Profit of Rs 5.29 crore in the same quarter of last year.

Revenue for the quarter jumped **24%** from **Rs 65.27 crore** to **Rs 80.82 crore** while the EBIDTA stood at Rs 14.98 crores, as against Rs 9.68 crores in Q3FY11. The EBIDTA margin witnessed 25% jump.

EPS for the quarter stood at Rs 7.71 compared to Rs 4.81 for the corresponding quarter of last year.

For the nine months period, Repro India clocked **Net Profit of Rs 26.4 crore** as compared to Rs 13.3 crore in the nine month ending last year. This was against the **PAT of Rs 22.8 crore** for the year ended 31st March, 2011.

Commenting on the Q3FY12 performance **Mr. Mukesh Dhruve, Executive Director, Repro India Limited** said, "The growth witnessed in this quarter has been in line with our expectation. While we continue to further expand markets in foreign territories including Africa, the UK and the US, we are increasing our focus on domestic market."

"Education-related printing offers high growth potential with increased awareness on education in third world countries. With India slated to be the biggest English speaking country, all the education-related companies are expected to move to India by 2020. I would say that printing is almost at the same stage where IT was 15 years back," added **Mr Dhruve**.
