

## **Mahindra Satyam and Intertek Partner to Streamline Smart Grid Testing and Product Engineering Technologies**

**Hyderabad – January 17, 2012** – Mahindra Satyam, a leading global consulting and IT services provider, today announced that signed a Memorandum of Understanding (MOU) with Intertek, a leading international provider of testing, inspection and certification services,, to collaborate on Smart Grid-focused testing and engineering activities. The MOU outlines plans to jointly improve advisory, inspection and certification services, enhancing Mahindra Satyam's efforts to deliver end-to-end engineering solutions to smart grid clients.

"Our partnership presents a wide range of potential benefits to our clients," said **Karthikeyan Natarajan, Sr.Vice President and Global Head, Integrated Engineering Solutions, Mahindra Satyam** "We continue to strive for excellence, and with Intertek's expertise in design review services, testing, and certification services, we will deliver added value to our customers in our smart grid offerings."

Mahindra Satyam will begin integrating Intertek's satellite Program in laboratories to conform to current smart grid industry standards and regulations. Under the agreement, Mahindra Satyam will serve as Intertek's partner for testing various industry standards in the smart grid business vertical.

"We are very excited to be working with an Industry leading company like Mahindra Satyam," **Sunny Rai, Regional Vice President, Renewable Energy, Intertek.** Mahindra Satyam's expertise in smart grid applications is aligned with Intertek's objective to advance industry safety standards and help speed the evolution of this important technology for our clients around the world."

The MOU between Mahindra Satyam and Intertek will streamline the process by which the two companies cooperate on projects for the automotive, aerospace and consumer electronics industries, while also enhancing services offerings for customers.

### **About Mahindra Satyam**
