NOTES :-

1) The above results were reviewed by the Audit Committee and approved by the Board at its Meeting held on Nov 01, 2011. The Financial Results have been reviewed by the Statutory Auditors as required under clause 41 of the Listing Agreement.

2) The following companies have been considered for the purpose of preparing Consolidated Financial Statements as per Accounting Standard 21 on Consolidated Financial Statements.

Name of the Company	Ownership In %
a) Shreyas Relay Systems Ltd	100%
b) Haytrans (India) Ltd	51.1%

Note: M/s Shreyas Relay Systems Ltd has acquired 51.1% stake in M/s Haytrans (India) Ltd from M/s Shreyas Shipping & Logistics Ltd on 30th September, 2011.

3) Dry dock Expenses of Rs 316.76 lacs incurred during this 1st quarter is being amortised over this current financial year and accordingly Rs 192.94 lacs has been deferred for amortisation during the next two quarters. The Auditors have qualified in their Review report stating that this treatment is not in accordance with Accounting Standard 25 on Interim financial reporting and the entire expenses should have been charged off to Profit and Loss Account in this quarter itself. However in the opinion of the Board the Company's accounting treatment reflects the profit for the quarter more correctly.

4) The Company has exercised the option provided by the Government notification dated 31st March, 2009, under Accounting Standard 11 to capitalise/adjust the foreign exchange differences arising on reporting of long term foreign currency monetary items in so far as they relate to acquisition of depreciable capital assets. As per FAQ issued by the Institute of Chartered Accountants of India (ICAI) on the above Notification, exchange difference arising from foreign currency borrowings, to the extent they are regarded as an adjustment to the interest costs is to be considered as 'borrowing costs' as per Accounting Standard 16. Had the company followed this, profit for the quarter ended September 30, 2011 would have been lower by Rs. 14.12 lacs and the loss for the Half year ended September 30, 2011, would have been higher by Rs. 15.24 lacs. The Auditors have qualified this non-adoption of FAQ issued by ICAI. Company does not agree with this interpretation of ICAI of the notification.
