Prevention of Money Laundering

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines/circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address (es) of investors.

In order to make the data capture and document submission easy and convenient for the investors, Mutual Fund Industry has collectively entrusted this responsibility of collection agency. Presently CDSL Ventures Limited acts as central record keeping agency ('Central Agency'). CDSL has appointed Points of Services (POS) to carry out the KYC process. Investors are required to attach a copy of PAN card as a mandatory document for proof of identity. As a token of having verified the identity and address and for efficient retrieval of records, the POS will issue an acknowledgement.

Investors who have obtained the acknowledgement after completing the KYC process, can invest in the schemes of the mutual fund by quoting the PAN number in lieu of submitting information and documents required under AML Laws. Presently, it is mandatory for all applications for subscription of value of Rs.50, 000/- and above to quote the PAN of all the applicants (guardian in case of minor) in the application for subscription. Applications for subscriptions of value of Rs.50, 000/- and above without a valid PAN may be rejected.

Applicants / Unit holders may contact our Investor Service Centers / their distributors, if any for any additional information/clarifications. Also, please visit our website www.sundarambnp-paribas.in for any other related information.

General

The investor is aware that the mutual fund needs to use intermediaries such as the post office, local and international couriers, banks and other intermediaries for correspondence with the investor and for making payments to the investors by cheques, drafts, warrants, through ECS etc. The investor expressly agrees and authorises the mutual fund to correspond with the investor or make payments to the investor through intermediaries including but not limited to post office, local and international couriers and banks. The investor clearly understands the mutual fund uses such intermediaries as agents of the investor and not that of the mutual fund/AMC. The mutual fund is not responsible for delayed receipt or nonreceipt of any correspondence or payment through such intermediaries.
